E DIFERENTE MANERA CU CHAVEZ A HAYA UN 'NO'

DOMESTICATED BY LOVE

Restless creature!

Take to the never-ending solitude of the Highlands;
Flee the pain-causing insects of the isle of Sky;
Dive into the life-containing water of Loch Ness;
Leave the peace-destroying monster in the depths.

Restless wild one!

The heaven-blessed leaves of El Yunque will heal;
Go and see how the sun-kissed forts of the Old City are
strong;
They have always weathered the ever-renewing storms.

Restless savage being!

Seek refuge in the age-old Citadel and call it home;
Run to and fro in the well-perfumed gardens of Petionville;
All goes beyond the parameters of human emotions.

Breathe in, breathe out, Restless!

Calm crystal-blue Aruba waters will soon be your habitat;
Refreshing body and uplifting soul;
Chant danki, danki, danki, masha danki
